At the Garibaldi we are passionate about our pub. We love our regulars and are always looking to make more. Whether you want a swift one with friends or a full blown meal with all the trimmings we have the answer. Our kitchen team works all day to create the highest quality homemade food and we use local green grocers and butchers to ensure we support our local economy.

We serve from 12.00 until 9.30, Monday to Saturday and from 12.00 until 9.00 on Sundays. Check our boards for today's specials, Curry nights and our Takeaway Pizza service (available until 11pm).

We hope you enjoy your visit and come back soon!

All the best, Debbie, Darryn and The Team.
